W.P No. 1817 (SS) of 2005

Hon'ble M.M. Ghildiyal, J.

Heard Sri Tanuj Semwal, learned counsel for the petitioner and Sri Pradeep Joshi, Brief Holder for the Union of India/respondents.

By means of this writ petition, the petitioner has challenged the order dated 31st August 2005 passed by Sr. Admin. Officer, National Institute of Hydrology relieving the petitioner for Guwahati from Roorkee on promotional post. The order itself says that the petitioner has been relieved from Roorkee on 31st August 2005. About four months have been passed in these circumstances; no order can be passed today. I do not find any infirmity or irregularity in the order impugned.

However, the petitioner has submitted that since after two years he will be retired and the Rule provides that a person who is going to be retired from service within two years should not ordinarily be transferred. The petitioner has already made representation raising his grievances on the ground that he is going to be retired on 10th October 2007. The respondents may consider and dispose of the representation moved by the petitioner sympathetically.

The writ petition is disposed of accordingly.
